The Big Question

Why are my fees going up from \$21.00 to \$25.00?

The United States Bowling Congress raised their annual dues from \$13.00 to \$15.00 and Golden Empire USBC raised ours from \$6.00 to \$8.00. Originally our association approved \$10.00 local fees, but considering USBC raising their fees, we didn't want our membership to take the financial burden, so we provide a \$2.00 annual discount to ALL of our membership.
